**POLICY 912

**VOLUNTEER PROGRAM**

The Carson City School District Board of Trustees recognizes the need to maintain a District Volunteer Services Program to support classroom instruction and co-curricular activities. The Board encourages ongoing and active volunteer involvement by individuals and groups within the schools, and in supervised off-site activities before, during, and after school hours. The District shall make reasonable efforts to provide a safe learning environment for students working with volunteers.

Use of the volunteer services in each school is encouraged as a means of involving the community in the instructional program. The Human Resources Department will develop, implement, and maintain appropriate regulations to foster the recruitment and training of persons willing to contribute their time to work in the schools. Activities of volunteers may include general assistance in the schools and classrooms, special help in the reinforcement of skills, and involvement with enrichment activities that align with curriculum.
