LEGAL REPRESENTATION FOR ADMINISTRATORS

The legal counsel for the Carson City School District shall represent school administrators in all matters of school business in any proceeding adjudicated by a court or an administrative agency other than the Board of Trustees. When a school administrator is a party to a hearing before the Board sitting in a quasi-judicial capacity, such administrator shall be provided with legal counsel of their own choice. The services for such legal counsel for the administrator shall be paid by the Board, provided, however, that an agreement for payment of services shall be reached between the Board and the counsel prior to the time that such counsel is engaged by the administrator.

The Board of Trustees shall not provided legal counsel for any administrator appearing before the Board on matters not involving school business or upon matters which involve the administrator's own demotion, suspension, dismissal, or disciplinary proceedings.
