

**BOARD OF TRUSTEES
CARSON CITY SCHOOL DISTRICT**

**POLICY No. 323
CERTIFIED STAFF**

PROFESSIONAL DEVELOPMENT OPPORTUNITIES

It is the policy of the Board of Trustees that a program of professional development shall be established to provide an opportunity for the continuous professional and technical growth of teachers, and administrators.

Such a program should assist staff members in gaining knowledge of new developments and changes in their specialized fields and in utilizing new and improved methods in practice.

The administrative staff, employing academic leadership and management techniques consistent with learner centered practices, will provide direction which will assist each staff member to make a maximum contribution to the District's effort to provide a quality educational program for all students.
