

BID PROPOSAL FORM

CARSON CITY SCHOOL DISTRICT EV-BUS PROJECT

Project No.: 51-22-01

Labor Commission PWP No.: CC-2023-182

Having examined the place of the work and having become thoroughly familiar with local conditions affecting the cost and performance of the work and with all requirements of the Contract Documents and related Addenda, Contractor hereby proposes and agrees to provide all labor and materials required to construct and complete the Work in accordance with the Contract Documents and Addenda in the following amounts for contract Work scope as noted above and in the bid package documents.

The undersigned bidder proposes to furnish all labor and materials for the electrical for the project shall consist of a NV Energy primary feeder extension to a new NVE transformer and new main electrical services to be used in charging EV Buses. A total of fourteen chargers may be used simultaneously. The management system may also be used to stagger the charger starting which will help lower the utility demand and facility charges. Each charger is to have an IP address, these to be coordinated with the schools Innovation & Technology Department. The project is broken into two phases, Phase I shall consist of four new EV chargers and associated electrical equipment. It shall include the future NVE secondary conduits stubbed into a N36 box for the service of the second phase. Phase II (not part of this project), to be completed in Q3 2024, consist of ten new EV chargers and associated electrical equipment.

Proposal: It is understood and agreed that all blank spaces must be filled in completely, in ink, and in figures.

Bid Forms: Bids must be submitted on forms provided herein for the entire work described. The following forms must be submitted with bid:

1. BID PROPOSAL FORM

Deviation from specifications will not be considered and will be cause for rejection of bids. Owner reserves the right to reject any or all bids, and to waive any minor irregularities.
